

OREGON JAZZ FESTIVAL

OUTSTANDING ENSEMBLES

One outstanding group from each performance space will be featured on the Saturday evening concert. The clinicians in that space will select that group. Please mark on your seating chart whether or not you would like your group to be considered. Each selected group will perform one piece as part of the festival's featured concert. Directors will be notified if their group has been selected by approximately 5:15 pm. The groups should then be ready to perform at approximately 6 pm.

Directors – please plan on meeting in Beall Hall at 5 pm for the announcement regarding selected groups, and keep your cell phones nearby for a text message or phone call notifying you in the case your group has been chosen for this opportunity! If your group has been chosen to perform, please respond to confirm that you're willing and able! You and your students will then be directed to the warm-room and escorted to the performance space at the appropriate time.
